Re: New Business

It was agreed that approval of this travel would be considered as a Consent Agenda item at the next Mayor and Council meeting.

Councilmember Marrinan reported on several recent actions of the Board of Directors of the Metropolitan Washington Council of Governments:

Meeting No. 07-92

3

February 18, 1992

o Adoption of a resolution endorsing procurement by local governments of products made with recycled materials. The City of Rockville adopted such a resolution a year ago, and Councilmember Marrinan indicated that he is pleased that other jurisdictions will be doing the same in the near future.

o Adoption of resolution authorizing the Executive Director to execute a funding agreement with Montgomery County Department of Environmental Protection to perform rapid stream assessments and stormwater retrofit inventories in the Rock Creek and Cabin John Watersheds. This information will be very helpful to the City.

o Endorsement of legislation in D.C., Maryland and Virginia to adopt a low emissions vehicle program for the Washington area. This long-term policy would have to be adopted by all governments in the area.

The next general session is scheduled for February 24, at which time the City will review the County's CIP (Capital Improvements Program).
